Services Provided & FY01 Highlights

The City Wide Accounts include funding for general purpose items not specific to any one department. These include unemployment compensation, workers' compensation, etc. The City Wide Accounts also contain the City's share of lease payments such as the Kiel Center and Convention Center expansion projects. The FY01 budget contains \$150,000 for the purchase of safety apparel in a continued effort to reduce on-the-job injuries. Corrections facilities lease payments will increase by \$400,000 to a total of \$5.4 mil. This amount is supplemented by \$4.4 mil. in capital funds to pay debt on the City's new Justice Center now under construction. Combined net debt service payments for the Justice Center will total \$9.8 mil. in FY01. Total debt payments for the Convention Center are expected to increase \$434,000. This rise reflects the regular increase in the debt service payment schedule. An decrease of \$1.5 mil. has been budgeted for the lease debt of the Civil Courts building. This reflects a one-time expenditure of accumulated construction fund interest as payment on the debt. The City-Wide Accounts also includes a \$300,000 subsidy to the St. Louis Development Corporation, a decrease of \$835,000 from FY00. The City-Wide Riverfront Gaming budget includes a \$4.0 million payment to the capital fund, \$50,000 to the state's Compulsive Gambler's Fund and \$600,000 to the City Port Authority to pay debt on a gaming facility relocation note. The Port Authority issued the \$2.4 mil. note in FY00 as part of the effort to relocate the Admiral gaming facility to its new location just north of Laclede's Landing on the riverfront. Along with \$600,000 directly from gaming revenues the City's total participation in the relocation effort amounts to \$3.0 million. In FY01, the City will also begin making debt payments to GSA for purchase of the old federal courthouse.
